

Not Quite O-Scale: CF&I Loader

Craig #1 December 27, 2016, 4:22am

I FINALLY have my pictures uploaded and a video made of the CF&I Limestone loader for my HOn3 layout. Just wanted you guys to be able to check it out.

CF&I Limestone Loader - DRGW3rdDiv

CF&I Limestone Loader that was located at Monarch Pass.

Now...back to work on the layout 😊

Niiiiiiiiiiiiicccccceeeeeee! 😊

I can't wait to spill limestone all over the place. D'oh! 😞

Zoltar foresees a micro vacuum in your future, to clean up after guest operators!

Craig,
Very nice model, structure and work. And that its "works" - wow very nice.

Yea...that's happened to me already Bob. Hehe. Live had to rock the door switch a couple of times to get it to stop. Hehe

Thanks for the kind words guys. I gotta say...Davids loader was/is the inspiration.
